CanSkate is a dynamic learn-to-skate program that focuses on fun, participation and basic skill development. Your child can expect action, movement and fun! Lessons are given in group format, where skaters progress at their own rate. Our NCCP-trained professional coaches & trained program assistants make sessions active using teaching aids, upbeat music, and a wide variety of activities that create a motivational environment that promotes learning. Badges, ribbons, and other incentives are used to benchmark skaters' progress and reward effort and participation.

WHAT TO WEAR?

You will need skates, a CSA-approved hockey helmet (no bike helmets), long pants or snow pants, mittens, warm sweater or jacket. Dress in layers – it will get warm!

SKATER RESPONSIBILITIES

Skater's Name: _____

All skaters will follow these policies. Failure to comply will result in suspension of skating privileges for a length of time determined by the Mile Zero Figure Skating Club Executive.

- Skater is to be on time for all skating and off ice sessions. Please notify coaches and instructors when you will be absent.
- Synchro is a part of our club's Starskate program. Your teammates and coaches are counting on you to be there.
- Off- ice sessions are mandatory. Unacceptable behavior will be subject to the same consequences as on-ice behavior infractions.
- Only coaches have priority for requesting music. A parent cannot request the music player to play their skater's music.
- Skate Canada has a Harassment policy. Harassment of any skater, employee or executive member of the MOFSC will not be tolerated. Anyone found in violation of the Harassment Policy will subject to a suspension.
- Swearing at other skaters or coaches is unacceptable and will not be tolerated.
- Picking holes, ice stomping, sitting or lying on the ice is not acceptable and will not be tolerated. Skaters in violation will be asked to leave the ice for the remainder of the session.
- There is to be NO STANDING in groups anywhere on the ice. Skaters are reminded that ice time is restricted and the skaters who are just wasting time will be given warnings for better ice utilization.

- Each skater is responsible for picking up his/her garbage and for keeping his/her area in the dressing room clean and presentable.
- Nobody (skaters or parents) is allowed to touch another individual's belongings.
- Patching is to be done by all skaters on the last session of each day.
- Skater must watch for those whose music is being played and those in a lesson. Right of way goes to the skater whose music is played first, then the skater in a lesson.
- Coaches are not to be interrupted UNLESS a skater needs permission to leave the ice before a session ends. Skaters should make every effort to speak with the coaches prior to the session beginning if they must leave early. Skaters should also make every effort to remain on the ice for the entire session.
- No non-club members are allowed in dressing rooms

We are a club and work hard to ensure that everyone is treated with kindness and respect. Please help to make the arena a place that is enjoyed by everyone.
